

Fall 2008 - Spring 2009 Schedule Tuition, Fees & Other Expenses Undergraduate, Graduate & Professional Students

www.vcu.edu/enroll/sa

TUITION AND FEE CHARGES

Tuition is determined by the student's residency status, the number of credit hours for which the student is registered, the student's course of study, and the student's classification level.

Undergraduate

An undergraduate student (freshman, sophomore, junior or senior) registered for 12 to 18 credits during any semester is classified as full-time. Tuition and fees are charged at a flat rate. An undergraduate student enrolled for more than 18 credits during any semester will be charged an overload tuition fee. This fee is charged on a per-credit-hour basis above the full-time tuition rate.

Graduate – Masters/Doctoral

A graduate student enrolled for nine to 15 credits during any semester is classified as full-time. Tuition and fees are charged at a flat rate. A graduate student enrolled for more than 15 credits during any semester will be charged an overload tuition fee. This fee is charged on a per-credit-hour basis above the full-time tuition rate. The overload tuition fee will not apply to students in first professional programs.

Part Time

Students registered for less than a full-time course load are charged a per-credit-hour rate based on the course level:

Undergraduate100 to 400 level
Graduate.....500 to 800 level

Holiday Intersession

Holiday Intersession courses are billed on the spring invoice, but are computed separately from the spring semester's charges. The cost of a Holiday Intersession course is the standard per-credit hour tuition with no fees.

Non-Degree Seeking Students who hold bachelor's degrees are classified as DHG (degree holder graduate) if they enroll in one or more graduate courses. DHG students are charged by the level of the course unless they enroll for nine or more credits, at which point they are charged at the full-time graduate rate. Non-degree seeking students who hold undergraduate degrees are classified as DHU (degree-holder undergraduate) if they enroll in all undergraduate courses. DHU students who enroll in 12 or more credits are charged at the full-time undergraduate rate. If the student makes changes to his or her course

enrollment by the end of the add/drop week, the student's classification and charges change in accordance with these guidelines.

REQUIRED FEES

Student Activity Fee is charged to all full-time and part-time Monroe Park Campus students. This fee supports activities scheduled throughout the academic year, such as concerts, plays, student organizations and publications. The fee *per semester is \$45* for full-time undergraduate students, *\$28* for full-time graduate students, *\$3.75 per credit hour* for part-time undergraduate students, and *\$3.10 per credit hour* for part-time graduate students.

BILLING

The Student Accounting Department is responsible for billing students for the charges

listed in this schedule. All charges are due by the official start of the fall and spring semesters.

For charges that are being paid by sources from outside the university, the Student Accounting Department must receive written verification from the payment source stating the award amount, method of payment and approximate date payment will be received from the organization. The award must be unconditionally guaranteed to the university. Students may deduct these outside awards from the amount due on the invoice providing the above criteria are met. Should the awarding organization default for any reason, the student is financially responsible.

INSTALLMENT PAYMENT PLAN

The Installment Payment Plan distributes the costs for a semester into four equal installments. A \$25 non-refundable application fee is paid in addition to the first installment of each semester. All students with current tuition, fees, residence hall and dining charges of \$100 or more are eligible for participation in the Installment Payment Plan. The plan is offered during the fall and spring semesters only. The Installment Payment Plan option must be selected each semester even if the student may have participated during a previous semester. Additional information may be obtained by contacting the Student Accounting Department.

TUITION AND FEE REFUNDS

Requests for refunds of overpayments must be made in writing to the:

Student Accounting Department
P.O. Box 843036
Richmond, VA 23284-3036

Drop vs. Withdraw

Drop — charges are removed to indicate that the student never attended the class. The student is not eligible to receive financial aid.

Withdraw — charges are assessed and adjusted according to the University Refund Policy.

The following outline summarizes official university tuition and fees policy applicable for fall and spring semesters only:

1. Refunds are calculated on a course-by-course (per credit hour) basis, disregarding full-time cap amounts. Students who are enrolled and then withdraw may not receive a refund.
2. Refunds will be computed based on the actual withdrawal date certified by the Office of Records and Registration.
3. Refunds will not be made to students who do not attend classes and have not completed the required withdrawal procedure.
4. Students who drop or withdraw through the first week of classes will be entitled to a 100 percent reduction of tuition and fees.
5. Students who withdraw after the first week of classes may be entitled to a prorated reduction of tuition and the university fee:

- Second week of classes80%
- Third week of classes60%
- Fourth week of classes.....40%

6. Students who withdraw after the fourth week of classes are not entitled to receive a reduction of tuition or fees.

7. Students who withdraw from all courses and receive Federal Title IV grant or loan assistance are subject to the Federal Financial Aid Refund Policy.

8. Refund processing is approximately two to three weeks.

Exceptions to the refund policy are made only in rare instances. Written application for an exception must be filed with the Student Accounting Department and addressed to the Refund/Waiver Appeals Committee. Appeals must be submitted within three years from the semester in which the student is appealing. Students will receive written notification of the decision.

DISHONORED CHECKS

A \$20 charge will be assessed for all dishonored checks. A student who pays a past due balance with a dishonored check may be subject to having his or her current and/or future registration cancelled.

LATE PAYMENT PENALTY

A late payment penalty of 10 percent of the balance, not to exceed \$100, will be assessed for those students whose accounts are not paid by the due date specified on the invoice.

OTHER EXPENSES

In addition to the charges listed in this schedule, students should make allowances for books, supplies and other out-of-pocket expenses when figuring the total cost of education.

RESIDENCY STATUS

Residency refers to the present, fixed home of an individual to which he/she returns following temporary absences, and at which the individual intends to remain indefinitely. The student's residency classification will determine whether tuition will be calculated at the Virginia resident or non-resident rate. Eligibility for the Virginia residency classification is governed by the Code of Virginia and is determined by the university. The following factors considered to support a claim of entitlement to Virginia residency privileges must have existed for a minimum of one year prior to the first official day of classes:

- physical residence
- state to which income taxes are filed
- state to which income taxes are paid
- driver's license
- motor vehicle registration
- voter registration
- employment

The presence of any or all of these factors does not automatically result in Virginia residency. Students desiring a change of residency status for tuition purposes should file an *Application for Change of Domicile for Virginia In-state Tuition Rates* available from the Student Services Center. The student must present clear and convincing

evidence that he or she is not residing in the state primarily to attend school. Changes in residency status shall only be granted from the date the application is received. The application deadline is 30 days prior to the start of the semester. It is strongly recommended that applications be submitted earlier than the stated deadline. Effective July, 1, 2006, a student with instate status for tuition purposes who exceeds 125% of the credit hours needed to complete his program will be assessed a tuition surcharge.

STATEMENT OF STUDENT FINANCIAL RESPONSIBILITY

Students who enroll:

1. are responsible for full payment of tuition and fees generated from their registration.
2. are responsible for full payment of all room, board, and other applicable miscellaneous charges.
3. are responsible for keeping a current permanent mailing address on file with the Office of Records and Registration. Failure to receive an invoice because of an incorrect address does not relieve responsibility for timely payments.
4. are responsible for establishing an official VCU email address and reading their email on a regular basis, since email will be used by faculty and university offices to deliver important communications.

The university reserves the right to revise or alter all fees, regulations pertaining to student fees, and fee collection procedures at any time.

PAST DUE ACCOUNTS

Students with past due accounts:

- will not be allowed to register for future classes.
- will not be allowed to receive their diplomas.
- will not be issued official transcripts of grades or grade reports.
- will be referred to the VCU Collection Unit Pursuant to Section 2.2-4805 et. seq., of the Code of Virginia, and in accordance with rules and regulations promulgated by the state comptroller and attorney general of the commonwealth of Virginia, VCU will charge interest, costs and fees on all accounts past due.

SET-OFF DEBT COLLECTION ACT

Under the provisions of this act, an individual's Virginia income tax refund will be subject to the university's claim for any unpaid balance of tuition and fees.

• •

Virginia Commonwealth University is an equal opportunity, affirmative action university providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability.
